Week 10 and the last week of term 3 is upon us! We have had a great term full of memorable moments and look forward to finishing the term off in style.

**Performance Night** is this week! All students and staff have been preparing all term for what will be a FANTASTIC celebration of our students talents. Everyone is welcome to attend and enjoy a night out allowing our students to entertain you. Performance Night is Tuesday 15th September starting at 6pm at the High School MPC.

All students are expected to be at the MPC by 5.15pm. All students will be given a sausage sandwich and a drink while they are getting their costumes on before the night begins. We are also having a matinee on Tuesday 15th September at 11am for those who can’t make it on Tuesday night.

Congratulations to the students and staff who attended the Connected Communities Field Day in Coonamble last week. The students did us proud with an outstanding performance that wowed the crowd and all staff presented 2 presentations about our school. Margo’s johnny cakes were a hit and enjoyed by all and our stall created by Miss Buckley was very engaging.

At Bourke Public School we are always evaluating what we are doing and are always looking for new innovative ways to improve students outcomes. We are encouraging parents, carers and community members to complete the ‘Tell Them From Me’ survey at the below link to help us to continue to improve Bourke Public School. The online survey takes about 20 minutes to complete and is anonymous. The survey will be open until Friday 16th October.

Have a super holiday and enjoy the time with your families! All students from the EYTC to year 6 return to school on Tuesday 6th October.

Have a great week – see you at Performance night!

We are playing a whole school game of bingo on Thursday as ‘Bluey’ is covered in stickers from all the great work that has been happening in our classrooms and on the playground.

Have a super holiday!

And what a way to finish with Performance Night! 2D is confident that this year’s dances are going to be some of the best yet, so come along to enjoy and support us! In Literacy 2D will be finishing the recounts of the digital text Moulan and in Maths we will be revisiting 2D space. Have a well earned, safe and happy holiday…

Miss Dorrington
We are all ready for Performance night. The stage 3 production is looking good and we hope you all enjoy it. This week we are again looking at expositions and used two topics ‘should school finish at 12pm’ and ‘should we ban whaling’. There were some interesting arguments I presented for both sides. We are working on decimal and fraction multiplication work and it has certainly allowed us to discover new ways of solving problems.

Stage 3 AP – Miss Dorrington
Last week was the last week for year six to order their shirts. I hope everyone was able to get their orders in. The shirts should arrive shortly. Year six will begin transition to the High School next term. This will be a great opportunity for the students to get ready for High school. We hope everyone has a lovely break and look forward to the many exciting things that will take place in term 4.

What a fantastic week ahead we have with the students from the EYTC performing in their very first BPS performance night! All of the students are super excited and have been practising super hard to perfect their special Aussie dance. Please remember to have your child at the high school MPC on Tuesday night by 5:15pm so we have time to dress them up in their costumes!

Miss Bradley & the EYTC Work Samples!

Mr Topalov

The boys have been working very hard completing their stories in literacy time. They have also read their completed stories to some staff members and are very proud of their efforts.

We have been solving extremely hard addition problems in numeracy and they have been that hard that Miss T struggled to see if the students got them correct when marking the work!

Mrs Roe/Mrs Aquilina

When reading, allow your child time to figure out what a word might be or to recognize a mistake. If a mistake doesn't affect the meaning, let it go.

Your child can use various tactics to figure out a word he or she doesn't know:
- Sound out the word
- Look at the pictures
- Divide the word into smaller parts
- Reread the words before and after the difficult word

Welcome to Week 10! Last week the MC enjoyed participating in a music lesson with Susan Frost from Canberra University. We also completed our Northern Lights artworks that were started with Miss Wade. Congratulations to all the students who danced at the Connected Communities Field Day in Coonamble last Friday. This week, we will be busy practising our dances for the matinee performance on Tuesday and then Performance Night. If you haven't already bought in your costume, please bring it in on Monday or Tuesday. I hope everyone has an enjoyable and safe holiday.
